## HELPFUL TIPS AND SUGGESTIONS!

At Gregg's we have over 120 sales staff who are regularly exposed to learning experiences through their sales calls. In an effort to have this knowledge shared with those who could use it the most, we have developed a new initiative called "Pass It On". This flyer lists some of these products and their out-of-the-ordinary applications. We hope you find the information useful for your own operations!

Brake Cleaner is a common, excellent product for cleaning brake parts. Did you know it can also be used as a stain remover? It can remove stains from carpets, concrete, clothes, and will even remove permanent marker. Spray a generous amount on stain and rinse with hot water. For clothing, simply wash pre-treated item in your regular wash cycle.
