

# Pass It On

## HELPFUL TIPS AND SUGGESTIONS!

At Gregg's we have over 120 sales staff who are regularly exposed to learning experiences through their sales calls. In an effort to have this knowledge shared with those who could use it the most, we have developed a new initiative called "Pass It On". This flyer lists some of these products and their out-of-the-ordinary applications. We hope you find the information useful for your own operations!

**Super Clean**, a safe and biodegradable product that is most commonly used to clean dirty parts, oil, grease and carbon build up. Did you know you can use it to clean concrete shop floors as well? Mix 10/1 ratio of water and Super Clean; then mop the floors.  
**Part No. (CAS) 801010**, Super Clean 20 L.

If you wash your own coveralls, try **Rig Wash** powdered soap to cut through tough grease and oil stains! Another great benefit to using Rig Wash is it will flush out any remaining residue in the laundry machine better than traditional laundry detergents!  
**Part No. (JJJ) RIG-50**, 20 kg pail Rig Wash.

**Kleens-It Citrus** is a natural cleaner/degreaser for all metal surfaces. It also spot cleans oil and grease spots from coveralls and work clothes... nothing works better than this! Just spray this product on the oil or grease spot and throw the item in the washing machine on a regular wash cycle.  
**Part No. (LLO) 51120**, 454 g Kleens-It Citrus.

Great Laundry Tip!

HELPFUL TIPS AND SUGGESTIONS!

Not just for the body shop! For a more cost-effective option, try **Red Glazing Putty** as a fast-drying, non-shrinking filler alternative for gaps and nail holes prior to painting.

**Part No. (USC) 32035**, 1 lb. tube, Red Glazing Putty.

When bundling multiple hydraulic lines together, truck and trailer repair shops use spiral wrap or zip ties. After bundling, some shops then use **PVC-200 Water Discharge Hose** for extra protection, which also gives an overall cleaner and tidier look!

**Part No. (LLL) PVC-200**, 2" Grey PVC Water Hose.

**Miracle Clean Sponges** work great to buff out scratches from smart phone screens! Just dampen the sponge, buff in a circular motion and wipe the screen clean. Good for light to medium scratches.

**Part No. (MAR) CL42100PK**, 12-pack.
