

Pass It On

HELPFUL TIPS AND SUGGESTIONS!

At Gregg's we have over 120 sales staff who are regularly exposed to learning experiences through their sales calls. In an effort to have this knowledge shared with those who could use it the most, we have developed a new initiative called "Pass It On". This flyer lists some of these products and their out-of-the-ordinary applications. We hope you find the information useful for your own operations!

Among its many uses, **WD-40** can also be used to remove oil stains from driveways, parking lots, and shops. Apply a reasonable amount to the stain and spray it off with a hose or pressure washer.

Part No. (WDD) 01032,

311 g WD-40® BIG BLAST® Can.

Try adding some **Windex** to your -35°C winter windshield washer fluid. The Windex will act as a bug eraser in the summer, and will not freeze the lines if some remains closer to winter. Be sure not to add too much Windex in the reservoir, as Windex has a 0 degree freeze point.

Part No. (SCJ) 00672, 5 L Windex.

Burlap can be used to help keep concrete damp and allow it to cure better.

Part No. (DWT) NB348, 3 x 48 ft. Roll of Burlap.

Part No. (DWT) NB3, 3 x 250 ft. Roll of Burlap.

Part No. (DWT) NB4, 4 x 250 ft. Roll of Burlap.

Part No. (DWT) NB6, 6 x 250 ft. Roll of Burlap.

HELPFUL TIPS AND SUGGESTIONS!

Fatigue matting can be used for more than relieving stress on knee, foot, and ankle joint pressure points. Try wrapping the **matting** around concrete columns in parkades to prevent damage to vehicles.

Part No. (CRN) TS33848BK,
Tuff-Spun® Foot-Lover® Anti-Fatigue® Mat.

Do you ever get tired of picking up your coveralls that keep sliding off of the hanger? Covering the hangers in **athletic tape** can help! The tape creates friction and stops the coveralls from sliding.

Part No. (III) 21148, Black Athletic Tape.

If you have white-walled tires and are looking for a more economical option for cleaning, try using **Spray Nine** to clean scuffs and marks.

Part No. (JJJ) C26832,
946 mL Spray Nine Cleaner.
